GCS Satellite Telephone Hire Rate Schedule

The Motorola 9505 Satellite Phone supplied with leather phone case, mains and cigarette socket (12V DC) charger with external magnetic antenna.

Daily Hire Rate

1 - 7 Days	\$24 per day plus GST and \$26.40 Per day inclusive taxes
8-14 Days	\$18 Per day plus GST and \$19.80 Per day inclusive taxes
15-31 Days	\$14 Per day plus GST and \$15.40 Per day inclusive taxes
31 – 90 Days	\$11 Per Day plus GST
91 Days Plus	\$9 Per Day plus GST \$9.90 Per Day inclusive taxes

Hire periods of less than four (4) days will incur and invoicing charge of \$50 plus GST , \$55.00 GST inclusive. Where phones are returned earlier than the original return date provided , the hire rate applicable for the period of hire less 50% may apply.. Where telephones are hired longer than the anticipated period, provided that GCS is advised of such extension ,if a lower rate becomes applicable it will be applied.

For the purpose of Rental Calculation a day is determined to be 24 hours. Part day hire charges may apply in increments of 12 hours. Half day rental charges are at 75% of the applicable daily rate.

Please ensure that you read carefully the full terms and conditions of hire and understand your responsibilities.

Call Charges

All out going calls are charged as per the applicable rate schedule attached. Some call charges are not listed but are chargeable to customers at prevailing GCS rates. These call types include specialized calls such as 1900 services where the charges are set by the service provider and 1800 reverse calls. Some specialized call types are not available from Satellite services. Customers are responsible to obtain information from GCS as per charges for specialized call services not listed prior to using such services as such charges are to customer account. Customers are responsible for all

call charges incurred during the hire period of the telephone. **Unauthorized use by others of the service whilst the Hired Telephone is in the Customer's possession is the responsibility of the Customer and the Customer is liable for ALL call charges unless GCS has been advised and the service has been terminated.**

Call Charges are itemized and invoiced monthly. Credit Card customers will be debited to their card account and a full statement forwarded by mail.

Please ensure you read and understand your responsibilities for Call Charges as detailed in the Call Charges guide.

Maintenance

Hirer is responsible to maintain the unit in good order and to keep secure and protected from Weather. If equipment is returned to GCS excessively dirty or with accessories missing charges for cleaning and replacement will apply at time of return. **Please ensure that you read carefully the full terms and conditions of hire and understand your responsibilities.**

Methods of Payment

GCS accept Visa & MasterCard. We regret we do not accept American Express or Diners Club Cards. Photographic Identification is required. An Australian Drivers Licence or for international visitors a passport. A Pre-authorization for the estimated hire fee for the period of hire will be made to the Credit Card in accordance with MasterCard / Visa normal procedures.

For Customers with a Valid Trading Account with GCS an authorised purchase order for the anticipated value of the hire period is required. Notation on the order that Call charges will be billed separately as per the rate schedule is required.

Cash Customers

We regret that we cannot hire Satellite Telephones as a cash sale.
