- 2.1. This Contract is entered into and will be binding on the Owner and the Hirer upon the Hirer's Acceptance of the Offer to Hire Form. All Equipment is available as listed at the time the Offer to Hire Form as sent to the Hirer. The Owner will ensure that the Equipment specified in the Offer to Hire Form is available for the Hirer if the Offer to Hire Form is Accepted within 72 hours of the Offer to Hire Form being sent to the Hirer or in such shorter time as may be specified in the Offer to Hire Form.
- 2.2. Until the Hirer has Accepted this Offer, the Owner may at any time withdraw the Offer by email, facsimile or letter to the Hirer to that effect.
- 2.3. The Hirer will for all the purposes of this Contract be deemed to have Accepted the Offer to Hire Form on these Standard Terms and Conditions together with any Special Conditions and this Contract will thereby be created if the Hirer communicates its Acceptance in the manner provided in the Offer to Hire Form.
- 2.4. The Owner has no obligation to the Hirer to supply the Equipment named in the Offer to Hire Form if the Acceptance by the Hirer is received by the Owner outside the period of time set out in clause 2.1.
- 2.5. If there is any Duty payable in respect of this Contract, it must be paid by the Hirer in addition to the Hire Fee.
- 2.6. The Offer to Hire Form can only be Accepted by the Hirer.
- 2.7. If an Acceptance is sent by any other person or company other than the Hirer, that person or company will be deemed to be the Agent of the Hirer and the Owner may rely upon this Acceptance by that person or agent as being an Acceptance by the Hirer.
- 2.8. The Owner may, at its absolute discretion, where the Acceptance is received from a person or company other than the Hirer, require written confirmation by the Hirer that such Acceptance is given for and on its behalf and with its full authority. If the Owner requires such confirmation, then the Acceptance will not be deemed to have been communicated and received by the Owner until such confirmation is received.

3. TERMS OF PAYMENT

- 3.1 The Hirer will pay the Hire Fee to the Owner on the Payment Date as stated in the Offer to Hire Form. The Owner must provide a Tax Invoice to the Hirer for the Hire Fee. If payment in advance or COD is required, it must be noted in the Offer to Hire Form. The Hirer must also pay the GST as stated in the Tax

Invoice when paying the Hire Fee to the Owner. If payment is not made by the Payment Date as set out in the Offer to Hire Form, the Owner is not obliged to Deliver the Equipment and may withhold Delivery of the Equipment to the Site until such payment is received. If Global Communication Services has agreed in writing to extend credit to the customer, the customer must pay the contract price to Global Communication Services in full prior to the end of the month following the day of the Statement sent by Global Communication Services in relation to that Supply.

This will apply not only to the Equipment but also to all Additional Equipment which the Hirer may require after the initial Offer to Hire Form has been Accepted with the intent that if such Additional Equipment is not paid for within the time stated in the Offer to Hire Form (for the Equipment), such non-payment in respect of the Additional Equipment will cause the Hirer to lose the right to the discount, not only in respect of the Additional Equipment, but also in respect of the Equipment the subject of the Hire Fee.

4 THE EQUIPMENT

4.2 The Equipment will at all times remain the property of the Owner. The Hirer has no legal or equitable interest in the Equipment or any part thereof. The Hirer's possession of the Equipment (upon delivery) will be as a bailee for the Period of Hire and thereafter at will.

Unless otherwise stated in the Special Conditions, the Hirer will on completion of the inspection be deemed to have satisfied itself that the Equipment as a whole is suitable, fit and merchantable and capable of meeting all the requirements of the Hirer.

4.4 Unless the Owner has been expressly retained, in writing, to advise on the suitability, fitness and merchantability of the Equipment for the Hirer's purpose, any warranting as to suitability, fitness or merchantability is hereby expressly excluded.

4.5 Any shortages or malfunctioning of the Equipment must be notified by the Hirer to the Owner, in writing, within 24 hours of delivery.

4.6 Where the Hirer is in Effective Control of the Equipment, then the Hirer is a bailee of the Equipment. In addition to all duties imposed at law upon bailees, it is an essential term of the Contract that the Hirer will:

- (b) Where the Hirer has responsibility to return the Equipment, it must return it in good order and working condition to the Owner at the Delivery Address on or prior to the expiration of the Period of Hire;
- (c) Where the Owner is to collect the Equipment at the expiration of the Period of Hire, the Hirer must make it available for collection in good order and working condition at the Delivery Address;
- (d) Not tamper or in any way interfere with, or repair or attempt to repair the Equipment;
- (e) Be responsible for all accidental damage to the Equipment, save and except where such damage is caused by the Owner;
- (f) Be responsible for all loss or damage to the Equipment occasioned by theft, malicious damage, or other unlawful act, save and except where such loss or damage occurs when the Equipment is under the effective control of the Owner;
- (g) At no time during the Period of Hire part with possession of the Equipment or in any way deal with it in a manner inconsistent with the rights of the Owner as owner;
- (h) Ensure that the Equipment is secure at all time and where being stored in unlocked premises, supply such security measure to ensure that the Equipment is secure at all times;

- 4.8 In the event that the Hirer fails or refuses for any reason whatsoever to return or make available for collection all the Equipment to the Owner at the expiration of the Period of Hire, then the Hirer will be in breach of an essential Term of this Contract and without prejudice to any other rights which the Owner may have, either pursuant to these Terms or at law, the Hirer will be liable to pay the Owner on a Day-Rate basis for the hiring for Equipment for such further period of time.
- 4.9 For the purposes of clause 4.7 above, such further period of time will commence at the expiration of the Period of Hire and conclude at the earliest to occur of, the date when the Equipment is returned to The Owner in good working order and condition or the date when the Owner receives from the Hirer full monetary compensation for the loss or damage to the Equipment. The loss or damage to the Equipment will be the replacement cost of the Equipment at that time or, where the Equipment cannot be replaced, the cost of new substitute Equipment that can substantially be used for the same purpose as the lost damaged or destroyed Equipment. In addition, the Hirer fully indemnifies the Owner for any other liability, loss or cost that the Owner might sustain as a consequence of the Owner being unable to meet any other contractual obligation to supply that Equipment (or any other item thereof) to any other person.
